

**REQUEST FOR PROPOSALS
CONCORD UNIVERSITY
RFB#CU2405 Wilson Roof Replacement**

ADDENDUM #1

1. **Question:** Request plans, specifications, and documents related to Wooddell Hall. Are you able to provide the estimated value/budget as well as the anticipated start and completion dates? If so, I would appreciate.

Answer: Concord University submitted a Deferred Maintenance request to the State with an estimated value of \$255,000. The start date is contingent upon when funding is received. Hopefully funding will be received in the next couple of weeks. Concord University would like to have this completed before Fall Semester 2024 starts, so before August 2024.

2. **Question:** Who/How do we get an appointment to do a site visit to get accurate measurements for tapered design?

Answer: Steve Miller (304) 887-6426 or Andrea Webb (304) 952-5290
Please reach out to Steve first.

3. **Question:** Is there a current plan holders list you can provide?

Answer: No roofing plans can be provided, but a site visit and blue prints are available.
