Therefore, students should complete those courses while enrolled at NRCTC and eliminate the need to complete additional credit hours at CU upon transfer. (2) Students should monitor course offerings at NRCTC and CU for scheduling purposes and be aware of course prerequisites and GPA requirements for both programs. (3) <i>Students must select a minor or program of electives approved by the advisor of record at CU.</i> The credit hour elective requirement (noted above) supports completion of the chosen minor or approved program of electives.</p>
