Approval of Minutes with one correction from Dr. Berkey

New Business:

WVDE Updates – Robert Mallace went over WVDE updates which was sent out prior to meeting.

Dr. Andrea Campbell provided Education Updates

- Admission to TEP data was shared. Discussion about factors that prevent admission most frequently still are mostly related to Praxis Core
- Admission to TEP data was shared
- Praxis II data was shared. Data provided included number of attempts candidates took to pass, comparison data to national data was also provided. Data can be provided in various ways. Content faculty encouraged to reach out to Alison Conner if they would like to see data in another way.
- CAEP Updates were provided. Next site visit Spring 2027. SPA planning timeline was provided. This semester is the time to be identifying assessments that programs would like to use for SPA submission. Implementation of those assessments needs to happen beginning spring 222 semester if the course is taught once per year in order to ensure 3 cycles of data can be submitted with initial SPA submission. SPAs will need to be submitted Fall 2024.
- Online elementary education program updates were provided. Appreciation to content faculty for developing and assisting in planning course offerings for online program.
- Discussion around WVDE performance assessment decisions and impacts on our students.

Meeting adjourned 3:45

Respectfully submitted by Andrea Campbell
