## CONCORD UNIVERSITY PARENTS CLUB

Spring 2017

Dear Parents,

Mid-term is here and when students return from spring break we will be on the downward slope to final exams, graduation, and summer break! Upon their return from break, continuing students will course select for summer and fall terms. A newly streamlined General Studies curriculum means more options for students and hopefully a Bachelor's degree in fewer semesters. We encourage students to register for—and complete—at least 15 hours per semester to stay on track to finish in four years (WV's 15-to-Finish Initiative). All students are encouraged to meet with their advisors for guidance and mentorship.

Despite being at the midpoint, there are still many exciting events ahead for the semester: CU Talent Show, March 22; Career Fair, March 23; Financial Literacy programs, including the BB&T Financial Empowerment Days Bus, April 6; Undergraduate Research Day, April 13; Blues, Brews, & BBQ, April 14; David Roth 5K Memorial Run, April 25; Earth Day Celebration; Greek Week; Spring Fling; and much more!

We hope you enjoy having your students home for Spring Break and, if you haven't already done so, be sure to complete the 2017-18 FAFSA for next year's financial aid.

As always, we welcome your ideas and feedback and hope to CU soon!

On behalf of the Parents Club, Best Wishes,

*Marjie Flanigan*

Vice President of Student Affairs & Dean of Students

## CONCORD UNIVERSITY MARKS 145<sup>TH</sup> ANNIVERSARY WITH FOUNDERS' DAY CEREMONY

Media Release

Concord University held a Founders' Day Ceremony on Wednesday, March 1, 2017 in honor of its 145<sup>th</sup> anniversary. On Feb. 28, 1872 the school received its charter from the West Virginia Legislature.

The afternoon ceremony took place in the Main Auditorium of the Alexander Fine Arts Center.

"Founders' Day is a time to celebrate the rich history and promising future of Concord," said Dr. Kendra Boggess, Concord University President in her opening remarks.

Keynote speaker Mr. David A. Barnette explained how the special contributions of two professors helped shape his academic experience at Concord. Barnette, Counsel and Member of Jackson Kelly PLLC in Charleston, W.Va. and Vice Chair of the Concord University Board of Governors, graduated from Concord in 1974 with a Bachelor of Arts degree in political science. He earned a master's degree in political science from Marshall University in 1975 and joined Jackson Kelly in 1979 upon receiving his Juris Doctor degree from The University of Dayton.

Barnette said Dr. Jack McMichael, a philosophy professor, taught his students to use critical thinking. His gift from political science professor Dr. Edwin Renalds Van Deusen was training in looking at situations from different perspectives, he said.

"You have a tremendous opportunity to teach and educate students," Barnette said to the faculty and other members of the audience. "I want to thank Concord University for the opportunities it gave me."

The Founders' Day celebration also offered a time to honor faculty, staff and students. Presidential Excellence Awards were presented to individuals who have demonstrated dedication and service to Concord University and the surrounding community.

Award recipients include: Faculty Presidential Excellence Award, Mr. Lonnie Bowe, Dr. Bill Ofsa and Dr. Joan Pendergast; Classified Staff Presidential Excellence Award, Mr. Eric Jewell, Ms. Miranda Martin, Mr. Doug Moore and Ms. Andrea Webb; Non-Classified Staff Presidential Excellence Award, Mrs. Alicia Besenyi and Mrs. Connie Shumate; Student Presidential Excellence Award, Mr. Blake Farmer, Ms. Chelsea Goins and Ms. Sarah Woody; and, Auxiliary Staff Presidential Excellence Award, Mrs. Anna Bell, Mrs. Melanie Farmer and Mrs. Florence Sargent.

The Concord University ConChords and the Concord University Band provided musical selections during the ceremony. A reception followed the program in the Alexander Fine Arts lobby.

## Concord Submits a Video to the *Today Show* AI Rokerthon 3 Contest

Wouldn't it be great if the *Today Show* cameras rolled into Athens to feature Concord?! Students created a very impressive video, which was submitted to AI Roker hoping he will choose the "Campus Beautiful" as a location to present a future weather cast. You may view—and like—the video by going to <https://www.youtube.com/watch?v=cUkVJgfaszw>

## White House Healthy Campus Challenge

In January Concord University was honored to participate in the **Healthy Campus Challenge Day at the White House**. Concord was named a White House Healthy Campus and recognized for having completed criteria for the Healthy Campus Challenge. Accepting the challenge entailed a commitment to making campuses and communities healthier by encouraging uninsured individuals to enroll in health care coverage for 2017. Concord was one of three West Virginia institutions and 350 nationwide to participate in the Challenge. However, Concord was the only West Virginia four-year university to be selected as a winning school and invited to the White House.

## Financial Aid

**FILE YOUR 2017-18 FAFSA NOW!!**

Students should file their 2017-18 FAFSA's now! They will use 2015 tax information, so no worries if 2016 taxes have not been filed yet. If students have questions or need help completing the FAFSA, they may stop by or call the Concord University Financial Aid Office located in Room 204, Marsh Hall, 304-384-6069.

## Tax Assistance

Accounting students in the Business Division are offering tax preparation assistance again this year at Concord University's VITA site. VITA stands for Volunteer Income Tax Assistance and our volunteers will be available to prepare and electronically file tax returns for people in the area. The service is available for families and individuals with an income below \$60,000. They can address most tax issues but are not allowed to prepare farm income returns or any returns dealing with depreciation.

To make an appointment, please call Bonnie Brown at 304-384-5244.

## Student Loan Help: CU Student Loan Dashboard!!

To help students stay informed and manage their loan debt, Concord University created a Student Loan Dashboard. The Dashboard provides a picture of a student's federal loan status, including the amount borrowed to date, potential repayment amount, borrowing limits, and percentage of academic program completed.

All students are encouraged to become informed consumers, particularly about how much they have borrowed and the importance of student loan repayment. While student loans can be an excellent way to help finance an education, students are cautioned to only borrow the minimum amount needed. Unlike grants, loans must be repaid, with interest.

To access the Student Loan Dashboard:

- Log into MyCU
- Click on the Student Tab
- Click on Loan Dashboard

For most students, the federal loan program is their first encounter with borrowing and establishing credit. Failure to repay student loans can result in negative consequences for both the student and institution. For students, this might entail having paychecks and/or tax refunds garnished (taken directly from a paycheck/refund); a poor credit rating, which hurts future borrowing and increases the amount of interest charged on future loans and credit cards; inability to obtain future financial aid; and other penalties. Institutions are penalized when students default on their loans by having restrictions placed on their current students' ability to borrow and through disbursement restrictions.

Currently, the Dashboard is just for undergraduate students. Under the Dashboard's "Note the Following," some limitations are explained. Students are asked to read these carefully and visit the links provided. A demo version of the Dashboard may be accessed on a desktop or mobile using this link: <http://www.concord.edu/loandemo>. For comments and suggestions, please contact Student Affairs at [studentaffairs@concord.edu](mailto:studentaffairs@concord.edu) or 304-384-6035. For problems accessing the Dashboard, please contact the Technology Services Helpdesk at [cuhelpdesk@concord.edu](mailto:cuhelpdesk@concord.edu) or 304-384-5291.

## **Announcing Pathways Scholarship!!**

The Concord University Foundation is announcing multiple \$2000 (\$1000 for fall and spring semesters) scholarships at Concord University.

**Application Deadline – April 15, 2017**

We seek to award multiple scholarships to rising or current Concord University sophomores, juniors or seniors who are performing well academically AND who are on the path to completing their degree.

For the 2017-2018 academic year, the Maier/Concord University Foundation is sponsoring 15 - \$2000 scholarships to be awarded as \$1000 per semester to be referred to as the Pathways Scholarships.

The scholarship applicants will be evaluated on the following criteria:

- Recipient must be a rising or current Concord University sophomore, junior or senior.
- Recipient must be a West Virginia resident.
- Recipient must have a minimum 2.0 Concord University cumulative GPA.
- Recipient must have financial need as determined by the Concord University Financial Aid Office.
- Recipient must have a completed FAFSA on file for the next academic year.
- **If you have previously received this scholarship you MUST reapply to be considered again.**

Scholarships are renewable but **MUST** be reapplied for each academic year. Recipients will be required to fulfill the original evaluation criteria in order to continue being awarded the Pathways Scholarship.

Unfortunately, given the limited scholarship funds available, the university and the CU Foundation are not able to support all legitimate needs through this fund. We continually strive to heighten awareness and seek financial support to expand the fund to serve our students. Scholarship awardees will be announced in May 2017.

Interested applicants may click <http://hub.concord.edu/cufoundation/pathways> to apply

Any questions regarding the Pathways Scholarship should be directed to [foundation@concord.edu](mailto:foundation@concord.edu)

## **Student Updates**

### **GEOGRAPHY**

Elisa Sperandio was one of the top six scorers, graduate and undergraduate, at the 2016 ten-state geography bowl held in Columbia, SC. Elisa, a senior geography and political science major, was a member of the WV team. She has been invited to participate on the World Bowl team at the American Association of Geographers in Boston this April. Elisa will join the other high scorers from the Southeastern Division. She has financial support from the Southeastern Division, the American Association of Geographers, and Concord University.

**Elisa Sperandio**

**Elisa is the second Concord University student in two years to be recognized as a top scorer. Last year, Robert Jessee made the team as the overall high scorer and was awarded a trip to the world bowl competition in San Francisco.**

**Our first awardee, Meredith Smith, 2014, was our first high scorer. No other institution in the state has placed three different students on the World Bowl team.**

**Here's an update on some of Concord's Geography students:**

- 1. Briana Karl** finished her M.A. degree at Ohio University where she was a teaching assistant for two years.
- 2. Donnie Kirk** finished her M.A. degree at East Carolina where she was a teaching assistant and spent the summer working for NASA in Langley, Virginia.
- 3. Tyler Farley** is teaching English in Seoul, South Korea.
- 4. Robert Jessee** is teaching English in Seoul, South Korea. Apparently, by the luck of the draw, they are living in the same housing complex in Seoul.
- 5. Christian O'Dell** is interning at Region 1 Planning in Princeton, WV.
- 6. Chance Razo** is in his second year of graduate school at Virginia Tech.
- 7. Nate Lawrence** is in his first year of graduate school at Virginia Tech.

8. **Elisa Sperandio** has been accepted to graduate school at the University of Kentucky and the University of South Carolina. She is in the process of making a decision.

## **Athens Family Practice Medical Center**

Athens Family Practice is a medical clinic available to all Concord University students. Conveniently located just off campus, Concord alumna Dr. Jessica Aliff and her staff are ready to meet students' needs. This is not a drop-in clinic, so appointments must be scheduled in advance. Students must bring their insurance card and student ID. If your student finds that he/she cannot make a scheduled appointment, please avoid a "no show". It takes a possible appointment time away from someone else and leads to increased student costs. Athens Family Practice is reserving appointment times on Thursday afternoons specifically for students, but if these appointments are not filled, they will fill with community members. For more details regarding physicians and the clinic, click on the following links.
